

Discipline Consulting is a small minority owned IT Service Provider that leverages insight and industry experience with both customer and market resources to innovatively source and integrate service solutions. Our pay-by-use engagement model provides customers with flexible access to services when needed and for the duration required. Simply stated, we provide **Discipline People- Discipline Thought- Discipline Action.**

OUR MISSION

Discipline Consulting's mission is to respond to the specific needs of each client and to deliver high-quality results that result in a proven return on investment. We provide our clients with efficient and objective sourcing to reach an optimal IT solution that delivers differentiating, flexible and high-quality services at competitive market rates. Our focus is to remove mundane and tedious tasks so that customers can focus their valuable time and efforts on strategic and business-oriented programs. We assess and provide recommendations for services in a fraction of the time and at significantly less cost than traditional IT sourcing processes. Moreover, we have the latitude to select solutions that will fast-forward technology adoption along with implementing flexible and favorable business terms.

OUR TEAM

Discipline Consulting employees are highly trained, efficient, and ethical professionals taking pride, ownership, and responsibility in all engagements with customers and partners. Our team listens and understands your needs, and we match those needs to the best available IT solutions. By working in unison with our manufacturer, service, and distribution partners, we deliver quality projects to our customers within time, scope, and budget expectations.
